**February 2017**

**Vol. 5 No. 2**

**Partners; Make Winter Freeze Shelter Guests  
Their Focus**

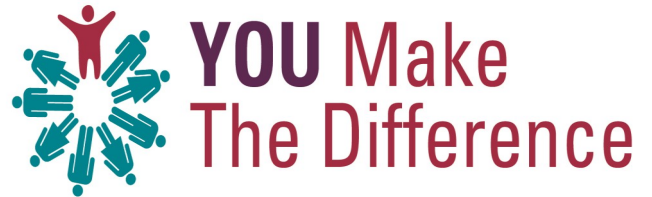

The community makes the Winter Freeze Shelter possible. Volunteers stay at the shelter each night to offer fellowship and dignity to our guests. Dr. William Mercer and his medical volunteers provide medical care. Many provide goods like coats, clothing, and socks. Northwood Health System staff meet and build relationships with guests who can use their services.

Throughout the Winter Freeze Shelter season our guests find housing, reconcile with families, and move forward in the lives.

As partners for the Winter Freeze Shelter, you make this work possible. Thanks to everyone who see the guests in the shelter as your neighbors and respond to them.

Photo taken by the Wheeling outreach team led by Dr. William Mercer of tents set up under local bridges. This team of medical volunteers visits the Winter Freeze Shelter guests regularly. Dr. Mercer has an office at YSS' building to see people and an office at the Soup Kitchen to provide medical care.

**Sleeping Bags and tents are needed !**

On March 16, the Winter Freeze Shelter closes. Many of our guests will be heading into the woods and are in need of sleeping bags and tents.

Please help us bless them with these items.

**Memorial Gifts to the Winter Freeze Shelter**

**Nancy Kish in memory of Robert Kish**

**Megan Mowery sock drive in memory of**

**Mary Alice Romshak**

**Women's Prayer Group, Warwood Christian  
Church in memory of Debbie Miller**
