YSS ‘CampOut For a Cause’ Coming June 4

Virtual Fundraiser Aids Homeless

From STAFF REPORTS

Youth Services System is looking for people who want to participate in the organization’s second annual “CampOut for a Cause” benefit, coming June 4.

The event will help local youth and families experiencing homelessness and will be a virtual peer-to-peer fundraiser. Those interested can create an online donation page and then share the fundraiser with friends and family.

On June 4, they will camp out in their favorite spot and enjoy local entertainment starting at 6 p.m. on the YSS Facebook page.

The 2020 event helped alleviate the burdens of the COVID-19 pandemic for local residents served by Youth Services System.

“Homelessness is far more than what you see. Homelessness is a pandemic itself. We try to tackle it every day with many of our programs,” said Terra Crews, YSS development director. “It’s crucial to continue our fundraising efforts to help us with our mission.”

Donations may be made by texting YSSCAMPOUT to 44-321 or going to http://tinyurl.com/campoutforacause. To create a fundraising page, click “I want to fundraise for this” and set up an account. Participants will receive a T-shirt, and anyone who raises $50 or more will receive a thermal mug.

“We’re so excited to host the second annual ‘CampOut for a Cause.’ It’s a fun and easy way for folks to help the most vulnerable in our community,” Crews said.
